

MAKE IT FUN!

virtual holiday tips

Great ideas for having a Virtual Holiday! Take a little extra time to prepare and still enjoy Family & Friends.

1. Create a Calendar of Events. Even in the best years, it's tough to get people in the same room. Create your Holiday Day Events! Offer the approximate time you will begin.
2. Choose the technology platform. Be a pro with Face Time, Zoom, Google Hang Outs...you name it, you can do it! Send easy instructions in your invite.
3. Choose a Holiday evite platform. Make it festive and fun. Choose the layout, be ready with your Event Calendar, and don't forget the tech instructions.
4. Fun Reminders. Be the spark of excitement and send reminders for your Virtual Holiday! Send the Holiday Meal plan! Create a shopping list. Offer great wine pairings.
5. Share festive attire. It's time to dress for the event. Share the fun attire you will be wearing — and ask others to do the same.
6. Photo sharing. Offer a way to share photos as the day progresses. Make it interactive. Add a few emoji's.
